**Summary:** for the past 25 years I have been involved in the entertainment industry having traveled and worked/performed all over the world and am now professionally based here in Australia

I have been working in the film industry for the last 14 years using all of the above qualifications and other skills. Starting of as a professional stunt performer then

moving onto to action /fight choreographer / Trainer and now as a safety supervisor/consultant and level 4 assessor and trainer

I am a multi skilled safety supervisor with a great insight into action and stunt related shows.

As well as a dive supervisor and action consultant

Please feel free to visit my web site for any additional information [www.affacademy.com](http://www.affacademy.com) and click onto the safety supervisor link or production company link .
